Hey
John Doe!

🏆 Best selling #1 admin template ever!

VUEXY
Admin Template

BIG UPDATE

The Best Selling **Vuejs, HTML, Reactjs & Laravel** Admin Dashboard Template

RTL Ready

Vuexy is the most developer friendly & highly customisable VueJS + HTML Admin Dashboard Template based on Vue CLI, Vuex & Vuexy component framework. 😆

How can you use Vuexy for your next project?

- Vuexy Admin provides you getting start pages 🚀 with different layouts, use the layout as per your custom requirements and just change the branding, menu & content.
- Every components in Vuexy Admin are decoupled 🔧, it means use use only components you actually need! Remove unnecessary
